## Spelling Tic-Tac-Toe

This board includes many different activities to help your child practice his/her spelling words. Your child must choose at least three of the activities to complete for weekly homework. The activities must make a tic-tac-toe line: horizontal, vertical, or diagonal three in a row. Please mark your choices with crayon, marker, etc. Parents, you are encouraged to assist your child as needed to make homework a positive learning experience. This sheet should be turned in on Thursday. Have fun!

*\*NOTE: If flash cards or other items are created, these need to be attached with the other papers. All materials will be returned after they are checked.*

Make a set of flashcards on index cards to study your words.	Write each word once. Divide the word into syllables using slashes.	Write all your words once using something other than a pencil.
Find synonyms (words that mean the same thing) for your words.	Write each word. Cross out all the silent letters.	Find and cut letters from magazines or newspapers to spell 15 spelling words. Glue onto a sheet of paper.
Put all 25 words in reverse (backward) alphabetical order.	Have an adult give you a practice test at home. Be sure the test is checked and signed by an adult.	Write each word using rainbow colors.
